analyzes populist movements in argentina bolivia brazil ecuador mexico nicaragua peru and venezuela from a gender perspective considers the role of masculinity and femininity in populist leadership the impact of populism on democracy and feminism and women s critical roles as followers of these leaders from publisher description

the grass roots populist movement that swept rural america a century ago drew millions of farm men and women and clusters of non farmers into a powerful crusade to reshape the nation s political economy populists sought to usher in a cooperative commonwealth to reverse the growth of america s monopoly capitalism and harness the engine of private ownership for the common good thus populism became a bridge between the nineteenth century traditions of republicanism and producerism and the regulatory state of this century mcmath crisply interprets the development of the populist crusade from its early beginnings in the turbulent 1870s to the emergence of the farmers alliances a decade later he deals with the founding of the people s populist party in 1892 and its ultimate demise he describes populism s important regional components and he places the crusade in a larger context as he compares it to parallel movements in the great plains and canada in the 1920s and 1930s american populism is an impressive book about a major social cultural and political movement

across asia populist leaders emerged on an unprecedented scale around the start of the 21st century populism in asia is the first book to examine this phenomenon the 1997 asian financial crisis undermined established political leaders and stirred popular discontent voters in east asia responded by electing maverick politicians who promised to target corruption and establish fresh agendas in southeast asia populist leaders based their appeal on the frustrations and aspirations of groups excluded from political power leaders who came to office during this period include thaksin shinawatra in thailand joseph erap estrada in the philippines roo moo hyun in south korea chen shui bian in taiwan and jun ichiro koizumi in japan local politicians in indonesia likewise adopted a populist stance as did prime minister mahathir mohamad in malaysia in the present volume leading asian scholars consider the many faces of contemporary populism in the region analyzing the phenomenon through case studies of political leaders with populist credentials and using these accounts to evaluate the achievements and failings of democracy benedict anderson provides a reflective afterword despite its allure populism has not been a success in asia populist leaders are in retreat across the region and their fall can be spectacular as in the philippines and thailand however the editors of this collection argue that populism will recur because asia s oligarchic political systems do not fulfill the imagined role of the state as a provider of well being citizenship rights and equality

provides a topical overview of latin american development bringing to light patterns of continuity and change this book demonstrates the close linkages between latin american history culture economic development and geographic realities it is useful for advanced college students area specialists and secondary school ap students

edited by a leading authority this anthology draws heavily on important studies published in the last two decades

dissecting the populist leadership style of president donald trump places trump s presidential leadership style within a comparatively historical and political development theoretical framework considers trump s use of social media as a form of public politics that represents an adaptation of presidential communication style to new technology while rebuffing the traditional bully pulpit assesses the impact of trump s negative rhetoric and efforts to challenge if not delegitimize other national institutions courts congress question media truthfulness and his personalization of political opponents employs case studies to weigh trump s political strategy from mobilizing grassroots support to foreign diplomacy this book evaluates the presidency of donald trump from a comparative historical approach to connect his populist style to his predecessors trump s method of communication through social media obviously differs from previous candidates and presidents with populist platforms but his themes a disdain for elites grassroots support majoritarianism anti intellectual discourse and nativism borrow variably from such figures as andrew jackson huey long barry goldwater and ross perot as such trump s approach to governance falls within a long tradition of populism dating to the 19th century

mazzoleni stewart horsfield and their contributors analyze the two way relationship of the mass media and the contemporary phenomenon of extreme right wing neo populist political parties which emerged in the closing years of the 20th century across the world the success of jean marie le pen leader of the neo populist front national in the first french presidential ballot in april 2002 shows that these extremist parties have strong if varying electoral support drawn into reporting on the policies and antigovernment critiques of the new parties the mass communication institutions especially those engaged in news production have been challenged by a variety of unconventional but effective political campaign strategies that caused many media professionals considerable challenge taking an approach informed by mass communication theory this book analyzes eight case studies of the interaction of news media dynamics and neo populism in austria australia france canada india italy the united states and the latin american region against the background of widespread disenchantment with traditional parties and the complacency and cynicism of popularly elected governments insights into media responses reveal how dependent on media coverage the neo populist parties were and how in many cases the media were initially unequal to the confronting ideologies of the new parties although the news media exploited the new parties new parties exploited the news media as well in quite shrewd and original ways this is an important resource for scholars students and other

researchers involved with political mass communications and right wing political organizations

includes bibliographical section

the grass roots populist movement that swept rural america a century ago millions of farmers and clusters of non farmers into a powerful crusade to reshape the nation s political economy by ushering in a cooperative commonwealth to reverse the growth of america s monopoly capitalism mcmath crisply interprets the development of the populist crusade from its early beginnings in the turbulent 1870s to its ultimate demise and places it in a larger context as he compares it to later parallel movements in the great plains and canada

this comprehensive two volume encyclopedia documents how populism which grew out of post civil war agrarian discontent was the apex of populist impulses in american culture from colonial times to the present the populist movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations today populism encompasses both right wing and left wing movements organizations and icons this valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition the entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the united states additionally attention is paid to important historical actors who are not traditionally considered populist but were instrumental in paving the way for the movement or vigorously resisted populism s influence on american culture this encyclopedia also shows that populism as a specific movement and populism as an idea have served alternately to further equal rights in america and to limit them

latin american history traditionally has been defined by larger than life heroes such as s mon bol var emiliano zapata and evita per n recent scholarship however tends to emphasize social and cultural factors rather than great leaders in this new collection samuel brunk and ben fallaw bring heroes back to the center of the debate arguing that heroes not only shape history they also tell us a great deal about the places from which they come the original essays in this collection examine ten modern latin american heroes whose charisma derived from the quality of their relationships with admirers rather than their innate personal qualities the rise of mass media for instance helped pave the way for populists such as radio actress turned hero evita per n on the other hand heroes who become president often watch their images crumble as policies replace personality

in the eyes of citizens in the end the editors argue there is no formula for latin american heroes who both forge and are forged by unique national events the conclusion points toward mexico where the peasant revolutions that elevated miguel hidalgo and later emiliano zapata are so revered that today s would be heroes such as the ezln s subcomandante marcos must link themselves to peasant mythology even when their personal roots are far from native ground the enduring or in some cases fading influence of those discussed in this volume validates the central placement of heroes in latin american history

this comprehensive two volume encyclopedia documents how populism which grew out of post civil war agrarian discontent was the apex of populist impulses in american culture from colonial times to the present the populist movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations today populism encompasses both right wing and left wing movements organizations and icons this valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition the entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the united states additionally attention is paid to important historical actors who are not traditionally considered populist but were instrumental in paving the way for the movement or vigorously resisted populism s influence on american culture this encyclopedia also shows that populism as a specific movement and populism as an idea have served alternately to further equal rights in america and to limit them provides an introductory essay that announces key events themes people and ideas appropriate for students researchers and general readers includes more than 200 entries and dozens of images and maps making this two volume work a comprehensive resource for high school and undergraduate researchers explains how the 19th century agrarian movement diverged into different populist movements in the united states and explores the various meanings icons and forms of the populist undercurrent in modern day american culture
